MY CHANNEL RESPONDS TO PUBLIC DEMAND WITH SECOND SCREENING OF FIRST SHOW

Previous |

Responding to overwhelming public demand MyChannel gave a second screening to the Mad About Business preview show last week.

Commenting on the news producer Nik Coleman said: "We're delighted that the preview was so well received. The show set the scene for the rest of the series which has now started, but it's clear that Robert's unusual delivery style is already proving popular. He's a very talented presenter and really knows his subject inside out."
